Pos.	Spareparts for Mixer M10 Description	quantity	price CHF/ piece	price € / piece	Total CHF	Total €
------	-----------------------------------------	----------	---------------------	--------------------	-----------	---------

M 10	Mixer incl. Mixingchamber without handle					
M 10 - 1k	Control unit with gland seal Kalrez					
M 10 - 1v	Control unit with gland seal Viton					
M 10 - 1 ok	O-Ring Kalrez (1 piece need)					
M 10 - 1 ov	O-Ring-Viton (2 pieces need)					
M 10 - 1 b	Control unit without gland seal					
M 10 - 1 s	Valve pusher tungsten (Wolfram)-carbide					
M 10 - 1 t	Teflonroll					
M 10 - 2	Bold M 5 x 10					
M 10 - 3	Main body with valve seats and slip ring					
M 10 - 4	Air valve body complete					
M 10 - 4a	Guide with O-Ring					
M 10 - 4b	O-Ring					
M 10 - 5	Connector air valve					
M 10 - 6	Piston airvalve					
M 10 - 7	Spring airvalve					
M 10 - 8	Seal airvalve					
M 10 - 10 - 4	Mixing impeller 4 levels					
M 10 - 10 - 2	Mixing impeller 2 levels					
M 10 - 11 - 4	Mixing chamber 4 levels					
M 10 - 11 - 2	Mixing chamber 2 levels					
M 10 - 14	Seal mixing chamber					
M 10 - 15	Slip ring stator tungsten carbide					
M 10 - 16	Slip ring rotor tungsten carbide					
M 10 - 17e	O-Ring main shaft EPDM					
M 10 - 17v	O-Ring main shaft Viton					
M 10 - 17k	O-Ring main shaft Kalrez					
M 10 - 18	Disc for main shaft					
M 10 - 19	Spring for rotor shaft					
M 10 - 20	Main shaft					
M 10 - 21	Airmotor 5'000 Rpm standard					
M 10 - 22	Valve ball tungsten carbide (need 2)					
M 10 - 23	Spring guide					
M 10 - 24	O-Ring for hose connecting block					
M 10 - 25	Spring for material valve					
M 10 - 26	Autom. flush'n-blow-valve complete					

M 10 - 27	Bolt M 5 x 16				
M 10 - 29	Bolt M 5 x 22				
M 10 - 33	Material hose connecting block				
M 10 - 36	Bolt M 8 x 25 hose connecting block				
M 10 - 37	Distance piece for motor-handle				
M 10 - 50	Handle with start-button				
M 10 - 51	Handle with start- and flushbutton				
M 10 - 52	Handle with start-, flush- and blowbutton				
M 50 - AD-K	Ausliterkopf				
M 50 - AD-D	Dichtungssatz für Ausliterkopf				

protection material

Teflon grease, tube of 60 g (for mat. valve)					
Protection grease can ca. 450 g					
Protection grease can ca. 900 g					
Protection oil (alternativ Mesamol) 5 lt.					
Hot cleaner (non toxic) 2x 25 kg					

Total CHF 0,00

Total € **0,00**

prices are subject to change/exchange rate

Prices ex works Bremgarten without MWST (tax)
postage, transport and packing extra

selling abroad: prepayment

Invoices under € 30.- need € 15.- addition

- EPDM** Ketone (Aceton, Methylaethylketon (MEK))
- Viton** Methylenchlorid (Halogenierte LM)
- Kalrez** ("Teflon-rubber" is resistant against all solvent, longelife)
