### Mixer complete

M-ST	Mixer complete					
------	----------------	--	--	--	--	--

### protection material

Teflon grease, tube of 60 g (for mat. Valve)						
Protection grease PU-Rot, can ca. 450 g						
Protection grease PU-Rot, can ca. 900 g						
Protection oil ! (alternativ Mesamol)						
Hot cleaner 10 kg (not classified as toxic)						

### Parts

M-ST - 1	Main body					
M-ST - 2	Slip ring seal tungsten carbide stator					
M-ST - 7	Spring for airvalve					
M-ST - 8	Piston for airvalve					
M-ST - 9	Impeller extension					
M-ST - 10	Air valve body complete					
M-ST - 10a	Guide with O-Ring for airvalve					
M-ST - 10b	O-Ring					
M-ST 11s	Valve pusher (Wolframcarbide)					
M-ST 11b	Control unit without gland seal					
M-ST 11bk	Control unit with gland seal from Kalrez					
M-ST - 11bv	Control unit with gland seal from Viton					
M-ST 11v	O-Ring Viton (need 2!)					
M-ST 11k	O-Ring Kalrez (need 2!)					
M-ST 11t	Teflonroll for control unit					
M-ST - 11a	Set of gland seal for control unit (Viton)					
M-ST 12	Adapter for mixing tubes					
M-ST 12m10	mixing tube 10x32 mm (1-10pcs)					
M-ST 12m13	mixing tube 13x32 mm (1-10pcs)					
M-ST 12ms	mixing tube special (orange) long (1-10pcs)					
M-ST 12ms	mixing tube special (orange) short (1-10pcs)					
M-ST - 13	Connector for airvalve					
M-ST - 14	Gland nut for mixing tubes					
M-ST - 18	Flat nylon seal for mixing chamber					
M-ST - 19	Seal for airvalve					
M-ST - 22	Valve ball tungsten carbide (need 2)					
M-ST - 25	Spring for material valve					

M-ST - 26a	SBV flush'n-blow-valve complete					
M-ST - 27	Bolt M5 x 16					
M-ST - 28	Connector to flushvalve					
M-ST - 29	Screw M5 x 22					
M-ST - 30	Distance ring					
M-ST - 35	Material hose connecting block					
M-ST - 36	Spring guide					
M-ST - 37	Seal ring connecting block					
M-ST - 38-14	Hose connector 1/4"					
M-ST - 38-38	Hose connector 3/8"					
M-ST - 38-12	Hose connector 1/2"					
M-ST - 50	Handle with start-button					
M-ST - 51	Handle with start- and flushbutton					
M-ST - 52	Handle with start-, flush- and blowbutton
